7 July 1975

MEMORANDUM FOR THE RECORD

On the afternoon of 3 July 1975, I received a telephone call from [redacted] on H. Knoche's Staff regarding a request from Senator Church for access to CIA documents included in the White House papers submitted to NARS for the JFK Library. [redacted] asked if we knew what Agency papers would be involved and what should be done about the request. I reviewed Chief, Information Systems Analysis Staff's file on Presidential Libraries, spoke with [redacted] and then called [redacted] asking to see Senator Church's request. Since [redacted] office was in the process of moving to 6D-0120, we were unable to get together. I called [redacted] on 7 July and was told that he had contacted someone on the National Security Council who was preparing an "Executive" response. If further assistance on our part is required, [redacted] will contact us. [redacted] is on extension [redacted]
